Important Health Warning: Photosensitive Seizures

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people with no history of seizures or epilepsy may have an undiagnosed condition that can cause “photosensitive epileptic seizures” while watching video games. Symptoms can include light-headedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, momentary loss of awareness, and loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects. **Immediately stop playing and consult a doctor if you experience any of these symptoms.** Parents, watch for or ask children about these symptoms—children and teenagers are more likely to experience these seizures. The risk may be reduced by being farther from the screen; using a smaller screen; playing in a well-lit room, and not playing when drowsy or fatigued. If you or any relatives have a history of seizures or epilepsy, consult a doctor before playing.

CURRENT OBJECTIVE

Forgot what you need to do next? A reminder is just a button press away using .

If you're ever feeling lost in Columbia, you can use the Navigational Aid. This draws a path to your current Objective.

SKY-LINES

The Sky-Lines were initially built as a means for shipping and moving cargo in Columbia, but the city's youth quickly found a way to use them as a death-defying means of movement. As the struggle between factions in Columbia intensified, they became not only a method of transportation but also a facilitator of combat.

You can travel along the vast system of interweaving Sky-Lines to outwit and outmaneuver your foes. Sky-Lines make you harder to hit and give you greater access to different locations.

While you are on a Sky-Line, enemies will have a more difficult time targeting you, but your Iron Sights aiming ability (hold) will be greatly improved.

SKY-HOOK

ATTACH – To jump to a Sky-Line from the ground, aim your crosshair at it while standing close enough for the **A** prompt to appear and press **A**.

THROTTLE – Use the **L** to increase/decrease speed.

REVERSE – Press **B** to switch the direction you are traveling.

JUMP LINES – To switch from one Sky-Line to another, aim your crosshair at it while close enough for the **A** prompt to appear and press **A**.

GROUND DISMOUNT – To detach from the Sky-Line, aim your crosshair at the ground while close enough for the **A** prompt to appear.

CONTROLS

Besides utilizing the Sky-Hook to ride the Sky-Line, Booker can use the device to perform the following special attacks:

SKY-HOOK MELEE – Press **Y** while on the ground.

SKY-HOOK EXECUTION – While on the ground, hold **Y** when an enemy's health is low enough (indicated by a skull  over their head).

SKY-LINE STRIKE – Press **A** while on the Sky-Line to dive from the Sky-Line directly onto the targeted enemy.

SKY-LINE SMASH – Press **A** while on the Sky-Line to knock the targeted enemy off of the sky-line.

ELIZABETH

Elizabeth has been imprisoned in Columbia's Monument Island since childhood. Known by the people of Columbia as both "The Miracle Child" and "The Lamb," Elizabeth is one of the city's great enigmas.

FINDING SUPPLIES

While you travel together, Elizabeth will scavenge for items that you may need on your mission. There are four different types of things she can find for you: **money**, **Salts**, **ammo**, and **medical kits**. When she has found something that you need, she'll offer to toss it to you. Simply press **X** to catch the item when prompted.

LOCK PICKING

There are many interesting things waiting to be discovered behind locked doors in the city of Columbia. If you possess a sufficient number of lock picks, you can ask Elizabeth to use her skills to open them for you. To do this, simply aim your crosshair at the lock while standing close enough for the **X** prompt to appear and press **X**.

NOTE

- Lock picks can be found scattered around Columbia and inside some Dollar Bill vending machines.
- Different locks require a different number of lock picks to open.

OPENING TEARS

Tears are inter-dimensional rifts in time and space. Elizabeth not only has the ability to open Tears, she can bring in items to help you with your mission.

THERE ARE THREE MAIN CATEGORIES OF GAMEPLAY TEARS:

RESOURCE – Resource Tears bring in objects that provide additional supplies when needed. It could be anything from a barrel full of sniper rifles to a case of medical kits or an automated vending machine.

STRUCTURAL – Structural Tears bring in objects that change the architecture of a location. It could be a Freight Hook that lets you escape to higher ground or a wall to provide necessary cover in combat.

OFFENSIVE – Offensive Tears bring in objects whose purpose is to fight on your behalf. It could be anything from an automated turret to a giant Tesla coil that electrocutes your enemies.

Each Tear has its own type of advantage, but only one Tear can be open at a time. To ask Elizabeth to bring in a Tear, simply aim your crosshair at it while standing close enough for the **X** prompt to appear and press and hold **X**.

WEAPONS

Combat in Columbia is constantly challenging and requires learning and adopting a wide range of strategies to survive. Here are a few weapon tips to get you started:

It's important to know when to use a quick-moving, run-and-gun approach and when to take time to carefully pick your targets using a weapon's Iron Sights aiming ability.

To use Iron Sights, simply press  to slow down and bring up your weapon's sights for improved accuracy.

You may only carry two weapons at a time, so choose wisely. Try to make sure you have the best weapons for the fight.

To swap between your two available weapons, simply tap .

Ammunition can be found in the environment, in containers and on bodies, and bought at the Dollar Bill vending machine.

You can upgrade a Weapon 4 times each. These upgrades can be bought at the Minuteman's Armory vending machine.

THE FOLLOWING ARSENAL OF WEAPONS CAN BE FOUND IN COLUMBIA:

BROADSIDER (Pistol) – Rewards accuracy and a quick trigger finger.

TRIPLE R (Machine Gun) – Fires incredibly quickly, but loses accuracy with distance.

VOX TRIPLE R (Repeater) – More damaging than the Founders' version, but less accurate and has a smaller clip and reserve.

BIRD'S EYE (Sniper Rifle) – Fires a single bullet with force and accuracy.

CHINA BROOM (Shotgun) – Provides high damage per blast, but is only accurate at short range.

VOX CHINA BROOM (Heater) – Produces an incendiary effect, but has a smaller clip and reserve than the Founders' version.

BARNSTORMER (RPG) – Fires missiles that explode on impact.

HUNTSMAN (Carbine) – Offers exceptional accuracy through its Iron Sights.

VOX HUNTSMAN (Burstgun) – Has a larger clip and is more damaging, but is less accurate than the Founders' version.

PADDYWHACKER (Hand Cannon) – Trades speed and ammo for immense stopping power.

THE PIG (Volley Gun) – Lobs small explosive projectiles and fires quickly, but is less damaging than the Barnstormer RPG.

THE VOX PIG (Hail Fire) – More damaging than the Founders' version, but has a smaller reserve.

PEPPERMILL (Crank Gun) – A crank gun that provides devastating, concentrated fire, but takes time to spin up and lacks the ability to use Iron Sights.

VIGORS

"A life with Vigors is a life that's Bigger!"

– Fink MFG advertisement

Vigors give you an edge in combat by providing you with a wide range of offensive abilities:

- Vigors are powered by Salts, which can be found in the environment, in containers, on bodies, and bought at the Dollar Bill vending machine.
- Each Vigor has two different methods of fire and you'll find that both are useful.
 - Tap **RT** for a quick fire.
 - Hold and release **RT** for a powerful alternate fire.
- Try combining Vigors on targets and with environmental hazards, such as a puddle of water or an oil slick.
 - For example, Undertow is great for pulling enemies into traps and environmental hazards.
- Try to take a moment to survey the battlefield before rushing in. You may be able to set Vigor traps before your enemies notice you.
- While you can fire weapons while hanging from a Sky-Line or Freight Hook, you can't use Vigors at the same time.
- Vigors can be upgraded twice per Vigor.
- Upgrades do more than just change stats, they also change how Vigors work.
- Upgrades can be bought at the Veni! Vidī! Vigor! vending machine.
- To swap between your two available Vigors, tap **LB**.
- To select any Vigor that you have acquired, hold the **LB** to bring up the Vigor Radial menu, then use the **LT** or **RT** to highlight the Vigor you want.

THE FOLLOWING ASSORTMENT OF VIGORS CAN BE FOUND IN COLUMBIA:

POSSESSION

TAP: To warp the perception of machines (and, once upgraded, the emotions of the citizens of Columbia), causing them to ruthlessly attack anyone that threatens you.

HOLD: To create a proximity-based trap.

NOTE

- When the Possession wears off, humans will kill themselves and Possessed Automata will return to a hostile state.
- Firing Possession at vending machines will cause them to produce money.
- You can only use Possession on one human or one automaton target at a time.

DEVIL'S KISS

TAP: To toss a fiery, explosive projectile.

HOLD: To create a proximity-based trap.

MURDER OF CROWS

TAP: To stun and damage enemies with a swarm of angry birds.

HOLD: To create a proximity-based trap.

BUCKING BRONCO

TAP: To create a shockwave that sends enemies hurling up into the air.

HOLD: To create a proximity-based trap.

SHOCK JOCKEY

TAP: To release a bolt of electricity to shock and stun your target.

HOLD: To create a proximity-based electrical trap.

UNDERTOW

TAP: To create a jet blast of water that violently pushes enemies away from you.

HOLD: To yank enemies to you from across the battlefield using tendrils of water.

CHARGE

TAP: To hurl yourself at enemies with a damaging melee strike.

HOLD: To build the melee strike's damage. (The longer you hold, the greater the force of the impact.)

RETURN TO SENDER

TAP: To generate a special defensive shield.

HOLD: To create a shield that absorbs damage, then fires a sticky mine. (The more damage it takes before being tossed, the more damage it inflicts on enemies.)

ENEMIES

Your foes in Columbia use a wide assortment of weapons, Vigors, and special attacks to get the drop on Booker.

Enemies may be invulnerable to certain offensive attacks and especially vulnerable to others. Try experimenting with each weapon and Vigor to discover which is most effective against each type of foe.

Some enemies are especially vulnerable in key locations on their bodies. For instance, try shooting the gears on the Motorized Patriot's back, the Handyman in his glass-encased heart, and the tank on the Fireman's back.

HERE'S WHAT YOU CAN EXPECT TO ENCOUNTER:

STANDARD ENEMIES

Even your average foe in Columbia can be tough to handle.

THE FOUNDERS – Armed followers of Father Comstock range from civilians and guards to police and the elite Flying Squad troops. They sport a wide variety of weapons from truncheons to sniper rifles.

VOX POPULI – Columbia's insurgent faction can be easily spotted by their distinctive use of red face-paint and clothing. They are not only equipped with the standard assortment of available weapons, they also carry savage variations to the Triple R machine gun, China Broom shotgun, Huntsman carbine rifle.

HEAVY HITTERS

When one of these formidable enemies enters the fray, you can expect the battle to become significantly harder.

THE BEAST – This heavily-armored foe is armed with the menacing volley gun known as the Pig, which lobbs explosive shells from a distance. The Vox variation of The Beast differs in appearance and is armed with a Vox Pig (aka Hail Fire).

THE HANDYMAN – The Handyman was once simply a man, his body ravaged by cancer. In Columbia his diseased flesh was pruned and purged, his parts replaced with mechanical improvements. The Handyman is stronger, better, faster... he is Columbian ingenuity at its best.

THE HANDYMAN HAS MANY ABILITIES AND CAN:

- Accelerate to incredible velocities in the blink of an eye.
- Leap up the sides of buildings.
- Pick up and throw hapless citizens (living or dead).
- Toss balls of lightning that can knock the player off of a Freight speeling Hook.
 - Electrify The Sky-Line to force the player off of it.
 - Pound the unwary into meaty bits.
- Other variations of The Handyman exist, but only differ in appearance.

MOTORIZED PATRIOT – The Motorized Patriot is a powerful, but slow-moving, automaton who carries the fearsome Peppermill crank gun. When not acting as a ruthless instrument of death, he can be found entertaining fair-goers with recorded Columbian verse. Multiple variations of The Motorized Patriot exist, but only differ in appearance.

ZEALOT OF THE LADY – Shattered, former devotees of the sainted Lady Comstock, these elite guards carry a coffin on their backs as penance for their failure to prevent her death. They not only utilize the Murder of Crows Vigor as an attack, they can transform themselves into a flock of birds to avoid injury while moving. Other variants of The Zealot of The Lady exist in Columbia, but only differ in appearance.

FIREMAN – Trapped in an iron maiden-like suit that burns him as penance for wrongdoing, the Fireman uses a fiery Devil's Kiss attack on the player. When the Fireman is near death, he will run at the player and explode. Founders and Vox variations of the Fireman exist, but only differ in appearance.

BOYS OF SILENCE – Locked away in iron masks and blinded since youth, the Boys of Silence are extremely sensitive to sound and will shriek loudly for aid, if disturbed.

BASIC SECURITY AUTOMATA

While these Security Automata aren't as fearsome as the Motorized Patriot, they can still make a tough battle even more challenging.

GUN AUTOMATON – This fixed-position, security turret is armed with the Triple R machine gun.

ROCKET AUTOMATON – This fixed-position, security turret is armed with the Barnstormer RPG.

MOSQUITO – This flying security turret is held aloft by balloon and propeller and is armed with the Triple R machine gun.

GEAR

An important part of character customization and growth in *BioShock Infinite*, Gear refers to special clothing items that can, once found and equipped, further enhance your skills or provide you with new abilities.

Gear is found within gift box packages found throughout Columbia, either in key locations or dropped by powerful enemies after death.

There are 4 types of Gear: **hat**, **shirt**, **pants**, and **boots**. Only one piece of Gear can be placed in each respective slot.

When you find a piece of Gear, you'll have the choice to put it in your inventory, compare it to the piece you're already wearing in that slot, or replace the piece you already have in that slot.

To view and equip different Gear pieces, use the  and navigate to the Gear Menu.

VENDING MACHINES

There are three different types of automated vending machines where you can buy the necessary upgrades and resources to complete your mission.

DOLLAR BILL – Offers basic supplies like ammo, health packs, and Phials of Salts.

VENI! VIDI! VIGOR! – Offers upgrades to make Vigors even more powerful.

MINUTEMAN'S ARMORY – Offers upgrades to change the capabilities of your weapons.

To buy items, you'll need Silver Eagles, the Columbian currency. You'll find on bodies, in containers, and out in the open throughout the city.

Press  to search containers and bodies or pick up coins or coin purses.

VOXOPHONES

Personal recording devices known as Voxophones can be found scattered throughout the city of Columbia. These audio diaries can give additional insight into the events that helped shape Columbia's history and help you solve her many mysteries.

Voxophones can be played upon pick-up or later using the  or from from the game's  menu.

KINETOSCOPES

These nickelodeon-like devices feature short films on topics from daily aspects of Columbian life, the latest headlines, great moments in the city's history, and more. Watch and learn.

This document may be updated from time to time and the current version will be posted at www.take2games.com/eula. Your continued use of this Software 30 days after a revised version has been posted constitutes acceptance by you of its terms.

THIS SOFTWARE IS LICENSED, NOT SOLD. BY INSTALLING, COPYING OR OTHERWISE USING THIS SOFTWARE (DEFINED BELOW), YOU AGREE TO BE BOUND BY THE TERMS OF THIS LIMITED SOFTWARE WARRANTY AND LICENSE AGREEMENT (THE "AGREEMENT") AND THE TERMS SET FORTH BELOW. THE "SOFTWARE" INCLUDES ALL SOFTWARE INCLUDED WITH THIS AGREEMENT, THE ACCOMPANYING MANUAL(S), PACKAGING AND OTHER WRITTEN, FILES, ELECTRONIC OR ON-LINE MATERIALS OR DOCUMENTATION, AND ANY AND ALL COPIES OF SUCH SOFTWARE AND ITS MATERIALS. BY OPENING THE SOFTWARE, INSTALLING, AND/OR USING THE SOFTWARE AND ANY OTHER MATERIALS INCLUDED WITH THE SOFTWARE, YOU HEREBY ACCEPT THE TERMS OF THIS AGREEMENT WITH TAKE-TWO INTERACTIVE SOFTWARE, INC. ("LICENSOR"). IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, YOU ARE NOT PERMITTED TO INSTALL, COPY OR USE THE SOFTWARE.

I. LICENSE

LICENSE. Subject to this Agreement and its terms and conditions, Licensor hereby grants you the nonexclusive, non-transferable, limited right and license to use one copy of the Software for your personal non-commercial use for gameplay on a single computer or gaming unit, unless otherwise specified in the Software documentation. Your acquired rights are subject to your compliance with this Agreement. The term of your license under this Agreement shall commence on the date that you install or otherwise use the Software and ends on the earlier date of either your disposal of the Software or Licensor's termination of this Agreement. Your license terminates immediately if you attempt to circumvent any technical protection measures used in connection with the Software. The Software is being licensed to you and you hereby acknowledge that no title or ownership in the Software is being transferred or assigned and this Agreement should not be construed as a sale of any rights in the Software. All rights not specifically granted under this Agreement are reserved by Licensor and, as applicable, its licensors.

OWNERSHIP. Licensor retains all right, title and interest to the Software, including, but not limited to, all copyrights, trademarks, trade secrets, trade names, proprietary rights, patents, titles, computer codes, audiovisual effects, themes, characters, character names, stories, dialog, settings, artwork, sounds effects, musical works, and moral rights. The Software is protected by United States copyright and trademark law and applicable laws and treaties throughout the world. The Software may not be copied, reproduced or distributed in any manner or medium, in whole or in part, without prior written consent from Licensor. Any persons copying, reproducing or distributing all or any portion of the Software in any manner or medium, will be willfully violating the copyright laws and may be subject to civil and criminal penalties in the US or their local country. Be advised that US Copyright violations are subject to statutory penalties of up to \$150,000 per violation. The Software contains certain licensed materials and Licensor's licensors may also protect their rights in the event of any violation of this Agreement. All rights not expressly granted to you herein are reserved by the Licensor.

LICENSE CONDITIONS.

Distribute, lease, license, sell, rent or otherwise transfer or assign the Software, or any copies of the Software, without the express prior written consent of Licensor or as set forth in this Agreement; c. Make a copy of the Software or any part thereof [other than as set forth herein]; d. Making a copy of this Software available on a network for use or download by multiple users; e. Except as otherwise specifically provided by the Software or this Agreement, use or install the Software (or permit others to do same) on a network, for on-line use, or on more than one computer or gaming unit at the same time; f. Copy the Software onto a hard drive or other storage device in order to bypass the requirement to run the Software from the included CD-ROM or DVD-ROM (this prohibition does not apply to copies in whole or in part that may be made by the Software itself during installation in order to run more efficiently); g. use or copy the Software at a computer gaming center or any other location-based site; provided, that Licensor may offer you a separate site license agreement to make the Software available for commercial use; h. Reverse engineer, decompile, disassemble, prepare derivative works based on or otherwise modify the Software, in whole or in part; i.

ACCESS TO SPECIAL FEATURES AND/OR SERVICES, INCLUDING DIGITAL COPIES. Software download, redemption of a unique serial code, registration of the Software, membership in a third-party services and/or membership in a Licensor service (including acceptance of related terms and policies), may be required to access digital copies of the Software or certain un-lockable, downloadable, online or other special content, services, and/or functions (collectively, the "Special Features"). Access to Special Features is limited to a single user account per serial code and access to Special Features cannot be transferred, sold, or re-registered by another user unless otherwise specified. The provisions of this paragraph supersede any other term in this Agreement.

TRANSFER OF PRE-RECORDED COPIES. You may transfer the entire physical copy of pre-recorded Software and accompanying documentation on a permanent basis to another person as long as you retain no copies (including archival or backup copies) of the Software, accompanying documentation, or any portion or component of the Software or accompanying documentation, and the recipient agrees to the terms of this Agreement. Special Features, including content otherwise unavailable without a single-use serial code, are not transferable to another person under any circumstances and Special Features may cease functioning if the original installation copy of the software is deleted or the pre-recorded copy is unavailable to the user. The Software is intended for private use only. NOTWITHSTANDING THE FOREGOING, YOU MAY NOT TRANSFER ANY PRE-RELEASE COPIES OF THE SOFTWARE.

TECHNICAL PROTECTIONS. The Software may include measures to control access to the Software, control access to certain features or content, prevent unauthorized copies, or otherwise attempt to prevent anyone from exceeding the limited rights and licenses granted under this Agreement. If the Software permits access to Special Features, only one copy of the Software may access those features at one time. Additional terms and registration may be required to access online services and to download Software updates and patches. Only Software subject to a valid license can be used to access online services, including downloading updates and patches. You may not interfere with such access control measures or attempt to disable or circumvent such security features. You hereby waive any moral rights of paternity, publication, reputation, or attribution with respect to Licensor's and other players' use and enjoyment of such assets in connection with the Software and related goods and services under applicable law. This license grant to Licensor, and the above waiver of any applicable moral rights, survives any termination of this License.

INTERNET CONNECTION. The Software may require an internet connection to access internet-based features, authenticate the Software, or perform other functions. In order for certain features of the Software to operate properly, you may be required to have and maintain (a) an adequate internet connection and/or (b) a valid and active account with an online service as set forth in the Software documentation, including but not limited to third-party gaming platform, Licensor or a Licensor affiliate. If you do not maintain such accounts, then certain features of the Software may not operate or may cease to function properly, either in whole or in part.

II. INFORMATION COLLECTION & USAGE.

By installing and using this software, you consent to these information collection and usage terms, including (where applicable) transfer of data to Licensor and affiliated companies into a country outside of the European Union and the European Economic Area. If you connect to the Internet when using the Software, either through a gaming platform network, or any other method, Licensor may receive information from hardware manufacturers or gaming platform hosts and may automatically collect certain information from your computer or gaming unit. III. WARRANTY

LIMITED WARRANTY: Licensor warrants to you (if you are the initial and original purchaser of the Software) that the original storage medium holding the Software is free from defects in material and workmanship under normal use and service for 90 days from the date of purchase. Licensor warrants to you that this Software is compatible with a personal computer meeting the minimum system requirements listed in the Software documentation or that it has been certified by the gaming unit producer as compatible with the gaming unit for which it has been published, however, due to variations in hardware, software, internet connections and individual usage, Licensor does not warrant the performance of this Software on your specific computer or gaming unit. Licensor does not warrant against interference with your enjoyment of the Software; that the Software will meet your requirements; that operation of the Software will be uninterrupted or error-free, or that the Software will be compatible with third party software or hardware or that any errors in the Software will be corrected. No oral or written advice provided by Licensor or any authorized representative shall create a warranty. Because some jurisdictions do not allow the exclusion of or limitations on implied warranties or the limitations on the applicable statutory rights of a consumer, some or all of the above exclusions and limitations may not apply to you.

If for any reason you find a defect in the storage medium or Software during the warranty period, Licensor agrees to replace, free of charge, any Software discovered to be defective within the warranty period as long as the Software is currently being manufactured by Licensor. If the Software is no longer available, Licensor retains the right to substitute a similar piece of Software of equal or greater value. This warranty is limited to the storage medium and the Software as originally provided by Licensor and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment, or neglect. Any implied warranties prescribed by statute are expressly limited to the 90-day period described above.

Except as set forth above, this warranty is in lieu of all other warranties, whether oral or written, express or implied, including any other warranty of merchantability, fitness for a particular purpose or non-infringement, and no other representations or warranties of any kind shall be binding on Licensor.

When returning the Software subject to the limited warranty above, please send the original Software only to the Licensor address specified below and include: your name and return address; a photocopy of your dated sales receipt; and a brief note describing the defect and the system on which you are running the Software.

IN NO EVENT WILL LICENSOR BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE SOFTWARE, INCLUDING BUT NOT LIMITED TO, DAMAGES TO PROPERTY, LOSS OF GOODWILL, COMPUTER FAILURE OR MALFUNCTION AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURIES, PROPERTY DAMAGE, LOST PROFITS OR PUNITIVE DAMAGES FROM ANY CAUSES OF ACTION ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE SOFTWARE, WHETHER ARISING IN TORT (INCLUDING NEGLIGENCE), CONTRACT, STRICT LIABILITY OR OTHERWISE, WHETHER OR NOT LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL LICENSOR'S LIABILITY FOR ALL DAMAGES (EXCEPT AS REQUIRED BY APPLICABLE LAW) EXCEED THE ACTUAL PRICE PAID BY YOU FOR USE OF THE SOFTWARE.

BECAUSE SOME STATES/COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY SHALL NOT BE APPLICABLE SOLELY TO THE EXTENT THAT ANY SPECIFIC PROVISION OF THIS WARRANTY IS PROHIBITED BY ANY FEDERAL, STATE, OR MUNICIPAL LAW, WHICH CANNOT BE PRE-EMPTED. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM JURISDICTION TO JURISDICTION.

TERMINATION: This Agreement is effective until terminated by you, by the Licensor, or automatically upon your failure to comply with its terms and conditions. Upon any termination, you must destroy or return the physical copy of Software to the Licensor, as well as permanently destroy all copies of the Software, accompanying documentation, associated materials, and all of its component parts in your possession or control including from any client server or computer on which it has been installed.

U.S. GOVERNMENT RESTRICTED RIGHTS: The Software and documentation have been developed entirely at private expense and are provided as "Commercial Computer Software" or "restricted computer software". Use, duplication or disclosure by the U.S. Government as a U.S. Government subcontractor is subject to the restrictions set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clauses in DFARS 252.227-7013 or as set forth in subparagraph (c)(1) and (2) of the Commercial Computer Software Restricted Rights clauses at FAR 52.227-19, as applicable. The Contractor/ Manufacturer is the Licensor at the location listed below.

EQUITABLE REMEDIES: You hereby agree that if the terms of this Agreement are not specifically enforced, Licensor will be irreparably damaged, and therefore you agree that Licensor shall be entitled, without bond, other security, proof of damages, to appropriate equitable remedies with respect any of this Agreement, in addition to any other available remedies.

INDEMNITY: You agree to indemnify, defend and hold Licensor, its partners, licensors, affiliates, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from your acts and omissions to act in using the Software pursuant to the terms of the Agreement.

MISCELLANEOUS: This Agreement represents the complete agreement concerning this license between the parties and supersedes all prior agreements and representations between them. It may be amended only by a writing executed by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the remaining provisions of this Agreement shall not be affected.

GOVERNING LAW. This Agreement shall be construed (without regard to conflicts or choice of law principles) under the laws of the State of New York, as such law is applied to agreements between New York residents entered into and to be performed within New York, except as governed by federal law. Unless expressly waived by Licensor in writing for the particular instance or contrary to local law, the sole and exclusive jurisdiction and venue for actions related to the subject matter hereof shall be the state and federal courts located in Licensor's principal corporate place of business (New York County, New York, U.S.A.). Both parties consent to the jurisdiction of such courts and agree that process may be served in the manner provided herein for giving of notices or otherwise as allowed by New York state or federal law. The parties agree that the UN Convention on Contracts for the International Sale of Goods (Vienna, 1980) shall not apply to this Agreement or to any dispute or transaction arising out of this Agreement.

IF YOU HAVE ANY QUESTIONS CONCERNING THIS LICENSE, YOU MAY CONTACT IN WRITING TAKE-TWO INTERACTIVE SOFTWARE, INC. 622 BROADWAY, NEW YORK, NY 10012.
