INTRODUCTION

Tales from the Borderlands is a five part episodic game series from the creators of The Wolf Among Us and The Walking Dead: A Telltale Games Series. Set on the unforgiving world of Pandora after the events seen in Borderlands 2, this is a story full of Borderlands' trademark humor, following two adventurers on their quest for greatness. You'll play as Rhys, a Hyperion 'suit' with dreams of being the next Handsome Jack, and Fiona, a Pandoran con artist looking to score her biggest ever swindle. Thrown together as unwilling partners in an adventure to recover cash they both think is theirs, their journey will take you on a wild ride where gangsters, bandit lords, and Vault Hunters are just some of the obstacles you'll encounter, in this new take on the award-winning universe created by Gearbox Software.

ACTION

Tales From the Borderlands includes action scenes that require time-sensitive input to allow progression or survival.

When indicated on-screen, press W,A,S,D or Mouse Wheel.

A pulsing button indicates actions that require a button to be rapidly pressed.

You will sometimes be prompted to dodge by pressing the indicated key.

Conversation with non-player characters is a huge part of Tales from the Borderlands. What you choose to say—or NOT say—could have a dramatic effect on your story.

Many choices are timed (represented by a shrinking horizontal bar across the screen), so you’ll have to think fast and live with the consequences!

You may choose one of up to four options presented on-screen. Press the button associated with your choice.
