"Scavs are like bandits but on the moon, and with cooler accents."

- Anthony Burch, Writer
Borderlands: The Pre-Sequel

"'Is that a Bandit?' Then he slams you. He's not a bandit. He's a MOON BANDIT! Scavs are a dangerous bunch of moon hooligans, more sane than their Pandora brothers, but not by much. They are masters of low gravity combat, jumping, jetting, and slamming enemies all willy nilly."

- Matt Armstrong, Borderlands Franchise Director
