See important health and safety warnings in the system Settings menu.

⚠ WARNING: PHOTOSENSITIVITY/EPILEPSY/SEIZURES

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your doctor before playing. IMMEDIATELY DISCONTINUE use and consult your doctor before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- eye or muscle twitches
- disorientation
- any involuntary movement
- altered vision
- loss of awareness
- seizures
- or convulsion

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR DOCTOR.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
- Avoid large screen televisions. Use the smallest television screen available.
- Avoid prolonged use of the PlayStation®3 system. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

NOTICE:

Use caution when using the DUALSHOCK®3 wireless controller's motion sensor function. When using the DUALSHOCK®3 wireless controller's motion sensor function, be cautious of the following points. If the controller hits a person or object, this may cause accidental injury or damage. Before using, check that there is plenty of space around you. When using the controller, grip it firmly to make sure it cannot slip out of your hand. If using a controller that is connected to the PS3™ system with a USB cable, make sure there is enough space for the cable so that the cable will not hit a person or object. Also, take care to avoid pulling the cable out of the PS3™ system while using the controller.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PS3™ system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PS3™ FORMAT DISC:

- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Keep this disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

Consumer Service/Technical Support Line 1-800-345-7669

Call this number for technical support, installation or general questions regarding PS3™ and its peripherals. Representatives are available Monday – Saturday 6AM – 8PM and Sunday 7AM – 6:30PM Pacific Standard Time.

LIMITED WARRANTY: Licensor warrants to you, as the user, the initial and original performance of the Software but not if you obtain the pre-recorded Software and accompanying documentation as a transfer from the original purchaser, that the original storage medium holding the Software is free from defects in material and workmanship under normal use and service for 90 days from the date of purchase. Licensor warrants to you that the Software is compatible with a personal computer meeting the minimum system requirements listed in the Software documentation or that it has been certified by a gaming unit producer as compatible with the gaming unit for which it has been published. However, due to variations in hardware, Software internet connections, and individual user's computer configurations, the Software may not be compatible with your computer system. Licensor does not warrant that the Software will be free from bugs or errors, that the Software will meet your requirements, that operation of the Software will be uninterrupted or error-free, or that the Software will be compatible with third-party software or hardware or that any errors in the Software will be corrected. No oral or written advice provided by Licensor or any authorized representative shall create a warranty. Because some jurisdictions do not allow the exclusion of or limitations on implied warranties or the limitations on the applicable statutory rights of a consumer, some or all of the above exclusions and limitations may not apply to you. If for any reason you find a defect in the storage medium or the Software, you may return the Software to Licensor for a refund of the purchase price of the Software, or you may return the Software to Licensor for a replacement of the Software, at Licensor's option. If the Software is no longer available, Licensor reserves the right to provide a similar piece of Software of equal or greater value. This warranty is limited to storage medium and Software as originally provided by Licensor and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, misstatement, or neglect. Any implied warranties prescribed by statute are expressly limited to the 90-day period described above. Except as set forth above, this warranty is in lieu of all other warranties, whether oral or written, express or implied, including any other warranty of merchantability, fitness for a particular purpose, or non-infringement, and no other representations or warranties of any kind shall be binding on Licensor. This warranty is made available to you by your use of the Software. For more information, please contact Licensor at the address specified below and include your name and return address, a photograph of your retail sales receipt and a brief note describing the defect and the system on which you are running the Software.

If the Software allows you to purchase and/or earn through play a license to use Virtual Currency and Virtual Goods, the following additional terms and conditions apply:

you own and/or control and certain limited rights to use useful goods within the Software ("Virtual Goods" or "VG"). Regardless of the terminology used, VG and VG represent a limited license right governed by this Agreement. Subject to the terms of and compliance with this Agreement, Licensee hereby grants you the nonexclusive, non-transferable, non-sublicensable, limited right and license to use VG and VG obtained by you for your personal non-commercial purpose exclusively within the Software. Except as otherwise provided by applicable law, VG and VG obtained by you are licensed to you, and you hereby acknowledge that no title or ownership in or to VG and VG are transferred or assigned hereunder. This Agreement should not be construed as a sale of any rights in VG and VG. VG and VG do not have an equivalent value in real currency and do not act as a substitute for real currency. You acknowledge and agree that Licensee may revise or take action that impacts the perceived value of or purchase price for any VG and/or VG at any time except as prohibited by applicable law. VG and VG do not incur fees for non-use; provided, however, that the license granted pursuant to VG and VG will terminate in accordance with the terms and conditions of this Agreement and the Software documentation, when Licensee ceases providing the Software, or this Agreement is otherwise terminated. Licensee, in its sole discretion, reserves the right to charge fees for the right to access or use VG and/or VG and/or may distribute VG or VG with or without charge.

TERMINATION

This Agreement is effective until terminated by you or by the Licensor. This Agreement automatically terminates when Licensor ceases to operate the Software servers (for games exclusively operated online), if Licensor determines or believes your use of the Software involves or may involve fraud or money laundering or any other illicit activity, or upon your failure to comply with terms and conditions of this Agreement, including, but not limited to, the License Conditions above. TAXES AND EXPENSES. You shall be responsible for and shall pay and shall indemnify and hold harmless Licensor and any of its affiliates, officers, directors, and employees against all taxes, duties, and levies of any kind imposed by any governmental entity with respect to the transactions contemplated under this Agreement, including interest and penalties thereon (exclusive of taxes on Licensor's net income), respective of whether included in any invoice sent to you at any time by Licensor.
