WWE UNIVERSE MODE

WWE Universe mode offers the ultimate **WWE** sandbox experience in **WWE 2K16**. Book matches, assign Superstars and Divas to shows and pay-per-views, create rivalries and alliances or watch them transpire on their own. For the first time, characters now have personality traits that can affect their decisions in gameplay and storylines. And with the new status effect system, the outcomes of these matches and stories can result in temporary boosts or penalties for those involved. The choices are yours to influence and control in this mode of near endless possibilities.

MYCAREER MODE

MyCareer mode has returned in **WWE 2K16** bigger and bolder. You can still create or import a Custom Superstar and dive into the rankings of NXT to learn the ropes from your trainer, Jason Albert, and progress to earning a spot on the main roster. Delivering great matches will earn you points and salary to spend on improving your skills, learning new moves, hiring managers, and other boosts. Challenge renowned **WWE** Superstars and even face your friend's Custom Superstars as rivals through the Career Invasion feature.

Along the way, your character will earn the attention of The Authority and has the choice to follow or defy their wishes at your own risk. Your decisions, whether in your own matches or interfering in the events of others, combined with post-match interviews with Renee Young, all shape how the rest of the roster views you. Strong allies and dangerous enemies lie along the road to winning the **WWE** Championship. Even with the strap around your character's waist, only through pushing to new heights of accomplishments and sustaining your glory will you gain entry into the **WWE** Hall of Fame.
