"Janey Springs is a good-natured junk dealer. She's always got a kind word for everyone (**especially** Athena). A little while back, a buncha kraggons killed her girlfriend and nearly mauled Janey to death, but it's done nothing to sour her sunny disposition!"

- Anthony Burch, Writer
Borderlands: The Pre-Sequel

"Janey wants to help, yeah? For profit, optimally, but in the end, she mostly just wants to help. So... profit maybe? It's no big deal. Helping, that's the real goal, but, you know, if profit comes, it comes. "

- Matt Armstrong, Borderlands Franchise Director
